MY LOVE OF VIOLIN

Quike is a classically trained musician, with the highest possible accolades in violin performance. Playing music has been his lifelong passion, and he adores every moment of it; each performance infused with an unmistakable magic. Weddings offer him the chance to play a diverse range of musical styles and genres.

CEREMONY

With his classical violin (she is over 110 years old) Quike loves the opportunity to play modern acoustic violin covers and of course, classical music as the guests arrive; Bach, Vivaldi & Mozart sets the tone beautifully! As the bride enters, Quike is open to any musical suggestion, as this is such a personal moment for the bride arriving to see her groom. From Elvis to The Beatles to Ed Sheeran, the choice is endless. The exit song is also special and truly represents the sentiments of the couple!

Quike often performs the ceremony with his string quartet, adding the second violin, viola and violoncello creating an exquisite orchestra sound.

COCKTAIL HOUR

For one hour continuously Quike performs with his classical or electric violin; jazz, lounge, bossa nova and the latest violin covers all work well during the cocktail hour.

DINNER

During dinner Quike thrives on creating personal connections as he moves around the tables, engaging with guests & the newlyweds alike. With a vast repertoire of music at his fingertips, Quike enjoys mixing up the classics (Al Green & Etta James) with modern tracks (Justin Bieber & The Weeknd). Nearing the end of dinner he likes to liven it up, keeping the momentum of the day alive, ensuring guests are left ready to party!

PARTY

A wedding party with Quike is a guaranteed success, performing with his electric violin & laser bow, high energy and tailor made backing tracks he will blow the party through the roof! Adapting to your favourite genre of music; Hip hop, Spanish & International club classics, deep house and EDM. Quike's performance will make your party unforgettable. Capable of performing alongside your own DJ of choice, over a 2 hour period, or you can book Quike's evening band which features Quike on violin & Sax with DJ for the whole evening.
